Long Island City Day Hab Program

An Oasis of Education and Enrichment

CP's Day Habilitation setting in Long Island City is a person-centered program supporting more than 70 people with mobility therapies, educational programming, and social inclusion.

Attendees enjoy time in Astoria Park, and love their experiences at Astoria 360 for bowling and other fun, with cultural exposure at the Museum of the Moving Image, the Noguchi Museum, and other local institutions. LIC's Individual Advocacy Group helps persons supported design activities and outings to shape their daily calendar.

A monthly recycling program simultaneously teaches money management and environmental conservation, and is always greatly anticipated by participants.

Residential Settings

Barrier-Free Possibilities

Residential settings are available throughout Queens:

- Astoria
- Jamaica
- Kew Gardens
- Ozone Park
- Queens Village
- Rego Park
- Springfield Gardens

For people who need all day care as well as others who require less intensive support, CP Unlimited provides accessible, welcoming, safe, and comfortable homes that take the needs of every individual into account.

CP Unlimited also operates CP Transport to facilitate a full schedule of beneficial Day Hab supports and supplemental activities.
